U.S. Tennessee valley coordinating committee.

Created at a conference held in July 1934, at
which were present representatives from the
valley states colleges of agriculture, from
various Federal agencies concerned, and from the
Tennessee valley authority. The function was to
coordinate the activities of these groups of
agencies and to work out organization and plans
for all agricultural adjustment activities in
the area. In early autumn of 1934 the committee
prepared a memorandum of understanding to serve

as the basis for cooperative activities of the
valley states land-grant colleges, the Tennessee
valley authority, and the U.S. Dept. of agriculture.
During the winter of 1934/35 this agreement was
signed by presidents of the seven valley states
land-grant universities or colleges of agriculture,
the chairman of the board of directors of the Tennes-
see valley authority, and the Secretary of the
U.S. Dept. of agriculture. (This memorandum not in

study of the work of the land-grant colleges in the
Tennessee valley area in cooperation with the Tennes-
see valley authority, 1939, by Carleton R. Ball,

It is considered a unit of the U.S. Dept. of agri-
culture (see Misc. Pub. no. 304, p.103, Directory of
organization... of the Department of agriculture) and
its publications are treated as publications of the
Department (This decision was made at a meeting,
